Directions to Cleveland Police HQ, Ladgate Lane, Middlesbrough.

There are 2 main roads running through the County, the A19 (running North-South) and the A66 (running East-West).

From Teesside Airport, travel straight over the A67 roundabout until you reach Longnewton.

At the 'T' Junction turn left towards the A66 junction. Once at the A66, turn right and head towards the A19 (South).

From the A19 (travelling North or South), head for the A174 Eastbound.

Once on the A174, remain in the nearside lane and take the first exit sign-posted to Acklam.

Take the right hand lane and at the 'T' junction, turn right across the dual carriageway. Follow the road (Low Lane) for about half a mile and you will reach the Blue Bell Hotel roundabout.

At the roundabout, continue straight over until you reach a small roundabout (at the Botanic Centre). Go straight ahead again, past the golf course entrance on the left and the entrance to Police HQ is next on the right.

Stop at the security gates & report in. You will be directed to the visitor car park and reception.
